PATIENT CONSENT INFORMATION

A. Patient Services Authorization

By signing this Authorization, I authorize my physicians or other healthcare providers and staff, my health insurance company, and my pharmacy providers (together, "Providers") to disclose to Harmony Biosciences, LLC, and its representatives, agents, and contractors working with Harmony Biosciences, LLC (together, "Harmony"), my personal health information, including information related to my medical condition, treatment, care management, health insurance coverage and claims, and any other information contained on this treatment form (together, "protected health information").

Specifically, I authorize Harmony to receive, use, and disclose my protected health information to (i) enroll me in and contact me about Harmony medication support programs; (ii) provide me with educational materials, information, and services; (iii) verify, investigate, assist with, and coordinate insurance coverage with my insurers; (iv) coordinate prescription fulfillment and refills; (v) assist with analyses related to the quality, efficacy, and safety of my treatment as well as patient access and adherence; (vi) to share and provide access to information generated by WAKIX for You that may be useful for my care; and (vii) to improve, develop, and evaluate WAKIX for You, its offerings, and materials. I also authorize disclosure of my health information to the specific individuals whom I have designated on the treatment form.

I understand that I may refuse to sign this Authorization. This Authorization expires ten (10) years, or such shorter timeframe required by applicable law, from the day I sign it as indicated by the date next to my signature unless otherwise canceled earlier as set forth above.
